ORDER

This civil matter is before the Court on the Report and Recommendation (the “R&R”) entered by United States Magistrate Judge H. Bruce Guyton on November 30, 2015 [Doc. 1640]. In the R&R, Magistrate Judge Guyton recommends that the receiver’s Forty-First Interim Application for Interim Compensation and Expense Reimbursement [Doc. 1626] be granted. There have been no timely objections to the R&R, and enough time has passed since the filing of the R&R to treat any objections as having been waived. *See* 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 72.

After a careful review of the matter, the Court is in agreement with Magistrate Judge Guyton’s recommendations, which the Court adopts and incorporates into its ruling. Accordingly, the Court **ACCEPTS IN WHOLE** the R&R [Doc. 1640], and hereby **GRANTS** the motion [Doc. 1626]. The receiver is permitted to disburse

\$2,375.50, representing compensation for services and reimbursement for expenses for the period from October 1 to October 31, 2015.

IT IS SO ORDERED.
